## Glenair CostSaver Composite EMI/RFI Junction Boxes General Information

## Lots of Junction Boxes are Built for use in Harsh, EMI/RFI Applications. Ours are Built to Save You Money.

lenair is the recognized leader in composite thermoplastic research and development for the interconnect accessory industry. Glenair's lightweight/ high-strength CostSaver Composite EMI/ RFI Junction Boxes are ideally suited for use in harsh environments where resistance to electromagnetic interference, corrosive fluids,

high temperatures, shock and vibration is a critical requirement.

The boxes are designed to meet the shock and vibration requirements of MIL-S-901D and MIL-STD-167SHIPS. Box materials also meet stringent EMI/RFI/HIRF and indirect lightning strike performance specifications.
