

.062" PITCH COMPLIANT PIN

HD Stacker™

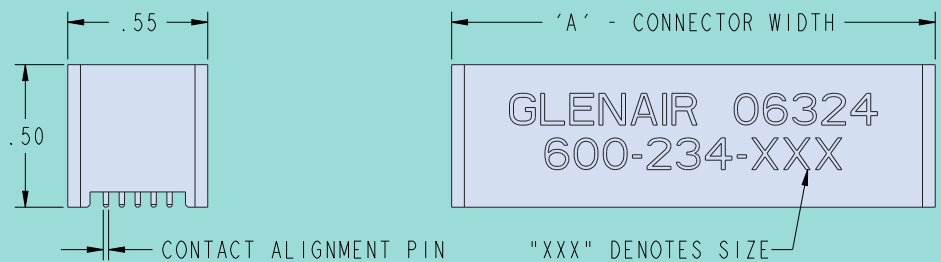

Mounting Head tool for connector-to-board installation

How to Order 600-234 HD Stacker Mounting Head		
Sample Part Number	600-234	-120
Series	600-234 = HD Stacker Mounting Head	
Number of Contacts	40, 80, 120, 160, 200, 240, 300	

- 600-234 Mounting Head is a corrosion-resistant steel block with the same PCB contact layouts as the connector to be installed. Alignment pins ensure correct indexing to the connector and aid in the even application of installation pressure.**

Number of Contacts	A	
	in	mm
40	0.90	22.86
80	1.40	35.56
120	1.90	48.26
160	2.40	60.96
200	2.90	73.66
240	3.40	86.36
300	4.15	105.41
