FIBER OPTIC

CONNECTORS AND ACCESSORIES

The tight-tolerance MIL-PRF-28876 interconnect has become the universal standard for Navy shipboard applications. Glenair's qualified connectors deliver all the necessary performance, from precise optical alignment to environmental protection and corrosion resistance. Glenair MIL-PRF-28876 QPL connectors are ready for deployment in shipboard, surface and submarine applications, as well as mission-critical combat communication systems such as mobile tactical shelters. They are specifically geared for upgrade and retrofit applications where extending system life-cycles and reducing cost of ownership are principal requirements.
