

MIL-QPL'D AND COMMERCIAL EQUIVALENT

NAVY CONNECTORS, TERMINI, ACCESSORIES AND TOOLS

RUGGEDIZED, ENVIRONMENTAL INTERCONNECT SOLUTIONS

Glenair offers a complete line of Navy connector solutions: From QPL'd MIL-DTL-28876 fiber optic connectors for today's high-speed ship-to-shore communications, to qualified MIL-DTL-28840 shipboard electrical connectors and accessories for ruggedized environmental shipboard interconnect systems, to precision tools for crimping and termination. The products are fully tooled and many are ready for immediate, same-day shipment.
