Glenair

loves

it

when

you're

safe.

Please

stick

to

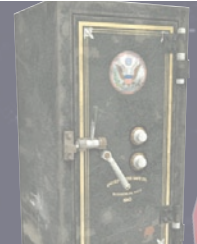

our

essentials

of

safety

at

all

times:

Wear

your

safety

glasses

and

ear

protection.

Keep

your

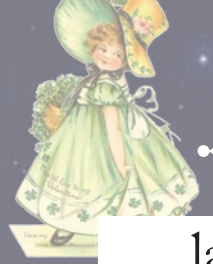

workplace

tidy.

And

last

but

not

least,

report

all

spills

and

safety

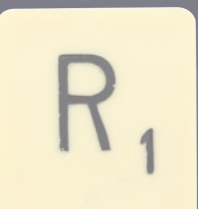

hazards

to

your

supervisor.

Safety

is

no

puzzle.
