## 881-004R Rear Panel Mount Receptacle with Pigtail Wires

Series 881 rear panel mount, threaded coupling receptacles are pre-wired, sealed with epoxy and feature integral shield termination platform. Three contact sizes are available with current ratings of 5A, 3A and 1A. Aluminum or stainless steel housings and thermoplastic insulators. High-strength wire with crosslinked ETFE insulation crimped at the factory to high performance contacts. Ultraminiature SuperFly® connectors are ideal for soldier systems and other applications where reduced size and weight are critical.
